

Here is a rare and rewarding opportunity for your students who love all things film and video shot on phones or from drones:

Youth Film Project

17 November – 22 December 2017 | Gallery 2

Age 12 – 25 Years

Do your students have a film that they have created and launched online through YouTube or Vimeo? Do they want some more exposure or the opportunity to screen their work in a public venue? There are no limits on length or content. ACT NOW and encourage them to send us through a link to their work to be considered for this great opportunity. All they have to do is simply upload their film to YouTube or Vimeo and send a URL link to your film to us:
