

WANGARATTA ART GALLERY

Established in 1987 the Wangaratta Art Gallery presents a relevant, diverse, and changing visual arts program, consisting of national, state and regional exhibitions, including local artists, touring exhibitions and joint ventures with the public galleries sector in Victoria.

The Gallery collects textile art, small sculpture, and significant works of art from across the nation with a particular focus on the north east of Victoria region.

The Rural City of Wangaratta's unique regional gallery is housed in a heritage building located in the Wangaratta Cultural Precinct, a short walk from the CBD.
