

FLOOR PLAN | GALLERY2

- External walls are masonry and cannot be pinned/nailed into. Hanging system installed.
- No items can be suspended from the ceiling/light track.
- Window measurements
2100mm [H] x 1220mm [W] [arched]
- There are three movable walls, double sided
3600mm [L] x 2700mm [H] x 600mm [W].
These walls can be configured in many ways
and can be pinned/nailed into.
They also have a hanging system.
- The walls either side of the stage area have
pressed tin cladding - hanging on these walls is
limited.
